Our Alumni

The Programme equipped me with essential career skills through rigorous training and internships, aiding my transition to the professional world. I appreciate the knowledge and experiences gained as , which will benefit my contributions in academia and beyond.

----- **John BOAMAH**, Graduate of 2024

I am currently working at HKBU in the Department of AEF. My journey in the Programme has been truly invaluable. Through the guidance of experienced professors, I gained not only professional knowledge and practical skills, but also a valuable network that I deeply appreciate.

----- **MENG Shiyi**, Graduate of 2024

I am currently a consultant in the Tax team at EY (HK), specializing in corporate tax compliance and cross-border tax planning. The Programme provided a solid foundation in accounting and taxation, along with practical experience that facilitated my job adaptation and benefitted my career development.

----- **ZHU Zhicheng**, Graduate of 2024

I am currently working at Deloitte (HK) focusing in FSI insurance project. I have gained a lot from studying at Macc for one year. All the professors at MAcc are very responsible and meticulous in their teaching, which has been very helpful for my QP exam, especially the M11 consolidated report.

----- **HU Yuxing**, Graduate of 2024

The Programme significantly enhanced my career skills. I completed an internship at EYHK during my study and will join PwC after graduation. The Accounting Internship course provided valuable foundational insights into the Hong Kong workplace, further strengthening my employability.

----- **MA Kaijun**, Graduate of 2025
