Our Alumni

The MAcc Programme has given me strong knowledge in accounting and finance. With this knowledge, I have access to more job opportunities. My career is no longer limited to certain areas, and I can now explore different specialised fields and positions. The Programme has also changed the way I think and helped me develop a more flexible and dynamic career path.

----- *NGUYEN Anh, Graduate of 2026*

The MAcc Programme served as a bridge connecting academic learning to the real-world workplace in Hong Kong, China. I interned at EY (HK) during my studies and got a return offer. The courses effectively bridge theory and practice. Together, these experiences have truly set me up for success in my new role.

----- *CHEN Nuoyan, Graduate of 2026*

The Programme significantly enhanced my career skills. I completed an internship at EY (HK) during my study and will join PwC after graduation. The Accounting Internship course provided valuable foundational insights into the Hong Kong workplace, further strengthening my employability.

----- *MA Kaijun, Graduate of 2025*

I am currently working at Deloitte (HK), focusing on FSI insurance projects. I have gained a lot from studying in the MAcc Programme for one year. All the professors on the Programme are very responsible and meticulous in their teaching, which has been very helpful for my QP exam, especially when preparing the M11 consolidated report.

----- *HU Yuxing, Graduate of 2024*

I am currently working at HKBU in the Business School. My journey in the Programme has been truly invaluable. Through the guidance of experienced professors, I gained not only professional knowledge and practical skills, but also a valuable network that I deeply appreciate.

----- *MENG Shiyi, Graduate of 2024*
